ELAN Series

What is The ELAN Series?

The ELAN Series stays provide the smoothest opening and closing system imaginable, equipped with Sugatsune's built-in patented dampening technology. ELAN products also provide safety to your application by eliminating slamming doors or smashed fingers.

Easy Installation

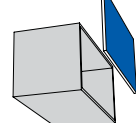

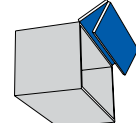

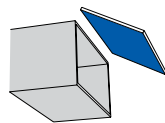

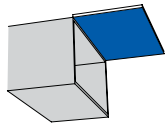

3 stays align to the upper corner of the cabinet. One stay offers an easy to use template. Accessory face frame brackets will mount directly to the upper corner of face-frame cabinetry.

3 Functions

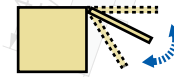

1. Lift-Assist
2. Free Stop
